Art Unit: 2612

1. The following is an examiner's statement of reasons for allowance:

the art of record fails to teach or suggest, in an intrusion detection system for an environment being monitored by at least one sensor, wherein the environment includes a computer system, the combination of a face detection module coupled to the at least one sensor, the sensor providing sensor input to the face detection module such that one or more faces are detectable; a face recognition module for comparing a detected face to a known database of faces and for identifying a scenario in which a high likelihood of illegitimate access to the environment exists; and an electronic control module for initiating a preemptive data backup of the computer system in response to the identification of a scenario in which a high likelihood of illegitimate access to the environment exists.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thomas J. Mullen, Jr. whose telephone number is 571-272-2965.
